

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Canceled)

2. (Currently Amended) A computerized method having a processing computer for processing orders for full color printing, said method comprising:

providing a customer a real-time web browser associated with a printing service provider, which includes a pricing engine, wherein said pricing engine includes one or more printing configuration options, in which the customer selects the one or more printing configuration options;

automatically calculating a price quote based on the one or more printing configuration options selected by the customer, wherein said pricing engine automatically and substantially instantaneously calculates a new price quote each time the customer selects or enters data for one or more new configuration options at the customer before forwarding to the processing computer at the printing service provider;

displaying automatically said price quote at the customer;

receiving from said customer a digital graphic layout file to be printed;

~~preparing a digital graphic layout~~ converting the customer-provided digital graphic layout file to a processed press-ready file with a format compatible for full color printing; and

~~creating a proof by the printing service provider and obtaining approval from said customer of said proof~~ creating a proof of the processed press-ready file by the printing service provider for customer's approval, and obtaining the approval from the customer, wherein a format of the proof is specified by the customer.

3-7. (Canceled)

8. (Previously Presented) The method of claim 2 further comprising allowing access to said proof over an electronic communication medium.

9. (Previously presented) The method of claim 2, further comprising obtaining payment from said customer.

10. (Currently Amended) The method of claim 2, further comprising printing said processed press-ready file and delivering printed material to said customer.

11. (Previously presented) The method of claim 2, further comprising using a global information and communication network.

12-22. (Canceled)
